

Hotel and Transportation

The AAHM hotels and conference site are the Delta Halifax and the Delta Barrington in downtown Halifax. The World Trade Convention Centre is the Conference host. All three buildings are connected through walkways.

For those attending the AAHM Conference, which runs from May 4th-May 7th, You may register online through: www.histmed.org

As of February 23rd, there was confusion about ALHHS members who were not staying on for the AAHM meeting, i.e., hotel reservations, because of the way AAHM Local Arrangers contracted with the Delta Halifax and the Delta Barrington, they cannot take reservations over the phone for the conference rate (\$165.00 Canadian). And the AAHM registration online will not let people forgo the Conference Registration and go directly to the Hotel Registration.

Hopefully when you have received this, the problem will have been resolved. Otherwise, e-mail Micaela at msullivan@library.wisc.edu for an update. Some ALHHS members have found smaller hotels nearby that are less expensive.
